The City of Bloomington Utilities Issues Precautionary Boil Water Advisory Following Water Main Break Repair

The City of Bloomington Utilities has issued a precautionary boil water order advisory for some of its customers following the repair of a water main break on South Nancy Street.

The follow areas are impacted.

- **1600-2012 East Hillside Drive**
- **1512-1612 South High Street**
- **1506-1613 South Nancy Street**
- **1615-1830 East Thornton Drive**
- **1506-1701 South Clifton Avenue**
- **1501-1639 South Dorchester Drive**

These customers are advised to boil drinking water for 5 minutes prior to consumption until further notice. Additionally, customers are advised to flush their systems by running cold water through all fixtures, including the washing machine until the water runs clear. Tap water is okay for washing/bathing.

A public advisory will be issued through local media outlets when the precautionary boil water order is lifted. The City of Bloomington Utilities will also announce the lifting of the precautionary boil water advisory on its webpage at Bloomington.in.gov/utilities. For more information, customers of the City of Bloomington Utilities can call 339-1444.
